EUROMOBIL

Multimedia language training and information programmes promoting student mobility

Developed with the support of the European Commission (Socrates/Lingua D, Lingua 2)

- ▶ Exchange students, prepare yourself for your stay abroad!
- ▶ If you intend to study in Finland, France, Germany, Great Britain, Hungary, Poland, Portugal, Romania or the Czech Republic, you could benefit greatly from our multimedia language learning and information programme on CD-ROM with web links included.

- ▶ Download free of charge, further information at <http://www.euro-mobil.org>
