

# EUROMOBIL 2

EU Socrates/Lingua 2 project 2005-2007

[ČEŠTINA](#) | [FRANÇAIS](#) | [POLSKI](#) | [PORTUGUÊS](#) | [ROMÂNĂ](#)

- Extension of **EUROMOBIL** to five new languages
  - Needs analysis-based design of multimedia language training and information programmes for exchange students
  - Hybrid e-material: interactive and informative programme components both offline and online (DVD/CD + website with forum)

- ▷ English as a supportive language in the Czech, Polish, Portuguese and Romanian programmes because the study language of exchange students is, in addition to the language of the host country, also English
  - ▷ Unilingual design in the French programme because the study language is French (cf. Figure 1)
